## Profile

I'm 24 years old, and I'm in the process of degree by thesis for the career of Computer Engineering, I have 2 years of experience in the development of web technologies.

I'm always updating myself, investigating and learning new technologies to improve my skills of development, learning, understanding and creativity.

## Education and Experience

### UNAM, FI (2015 - 2019)

I studied Engineering in Computing and took the especialidad in Database.

### UNICA, FI (2018 - 2020)

I was a fellow in the Academic Computing Services Unit (UNICA) in the Department of Investigation and Development (DID), where I developed different projects and gave courses focused on the development of applications.

### SAC+E, FI (2019 - 2020)

At present I am developing a thesis about the creation and implementation of a System of Administration of the Knowledge for the FI.
